### Guided Sightseeing Tour

Originals, curiosities and anecdotes. Stories from and about Hamburg. A tour with insights and views. Rathausmarkt, Trostbrücke, Domplatz and harbor.

### Food at the Party:

You don't have to starve at the party. There will be a grill and it serves saucages, potatosalad and falaffel, which can be purchased.

### Shoes at the Party:

The owner asked us not to wear shoes that make stripes or scratches. Guess for Lindy Hoppers this isn't a big problem.

### Bring your own shirt:

We will have a screen printing at the party, so you can bring a shirt (not dark) and print it with our logo.

### Bring your swim-stuff

Keep in mind, that Fullpass-members get free entrance for swimming if you like.

### Taster:

There will be a special taster, only for Full Pass Members at 19:30h bevor the party

### and

And as we are in Hamburg, you might bring an umbrella ;), but it is supposed to be sunny
